About Catalyst

Catalyst Business Solutions is a technology consulting company headquartered in San Jose, California. We provide services and solutions in Business Applications, Middleware, Database, Hardware, Data Center/ Cloud Computing, and Machine-to-Machine/ Internet of Things. We have established operations in the emerging markets of Africa and the Middle East.

Catalyst believes in a Global + Local (=Glocal) workforce and infrastructure. This Glocal model allows our clients in India, Africa, and the Middle East to build and implement localized solutions.

With delivery centers in Senegal, Cameroon, Nigeria, Egypt, Morocco, UAE (Dubai), and India, our Project Management Office (PMO) delivers projects in over 25 countries, and in multiple languages. Using our localized solutions and same time zone support centers, our client can rapidly leverage the systems and get timely support during their business hours
